

# What Lives in Northwest Branch?

Volunteers find, identify and count **"benthic macroinvertebrates."**  
These amazing critters tell us a story about the health of our streams.

**A FREE EVENT FOR THE ENTIRE FAMILY!**  
**SUNDAY, OCTOBER 22**  
**10:15 AM - 12:00 PM**

We will meet along the stream near ADELPHI MILL REC CENTER  
8402 RIGGS RD, ADELPHI, MD 20783

- Meet volunteers who check on the stream's health.
- See what lives in Northwest Branch.
- Learn how we find and identify these creek critters.

\*Children must be accompanied by an adult at all times.  
\*Masks are optional

**Sponsored by Nature Forward**  
**in partnership with Langley Park Civic Association, Inc.**  
**Funded by the Chesapeake Bay Trust.**
